

Boki (Paperback)

Filesize: 2.73 MB

Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Virtual Artists Collective, United States, 2008. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Boki. A word that means nothing in English, but when you come to the poem that it s in - well, there it stands for a shouted syllable, a deconstruction of someone s name -- someone who went around / with scowling hair, // her long betel-spittled / lips exploding sex-words while She sat in street-corners / and exposed glistening secrets / like roots with / shifty-eyed knowledge. A nonsense word that brings so much from its two syllables, is surely what poetry is about. The creation of image from sound. To bok in Assamese means to mutter/speak meaninglessly and repetitively. The Sanskrit word, Vak, from which this irreverent Assamese derivative takes its origins, means Speech. And Nitoo Das s Boki speaks in an explosion of images in which she demonstrates an uncanny ability to create poems that surprise us, hold us, move us to see things in new ways. A poem / laughs / when you tell it to sit. These poems not only laugh but insist on dancing. They taste lush and orange on the tongue like Disco-Papita, and they will leave you turning the pages for more.
