Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WORDS FROM THE SPEAKING SOUL.: LIFE S UNHEARD CRIES (PAPERBACK)

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Voices of a Speaking Soul.Life s Unheard Cries is an inspiring and uplifting view into the common man s soul. This book highlights a variety of subject matters that reaches people of various walks of life. Behind these pages you will discover poems about love, heartbreak, religion, politics, overcoming adversity, the positive image of women and men.plus SO MUCH MORE! As I wrote this book, I envisioned touching individual lives and being able to relate to personal experiences, ideas, and thoughts that many of you may have felt (prior to discovering this book) that no one understood. These pages contain more than just poems, they also represent the pages of life. Just as in life, there is something different with each turn. Voices of a Speaking Soul.Life s Unheard Cries, reveals the emotions we all have yet at times are reluctant to express, or they may simply go undetected by the outside world. We wear smiles in the public eye, but behind those smiles lie the pains and struggles we face behind closed doors. The soul is what allows us to live and have purpose, but if not heard, it can be likened unto a slave chained with a muzzle-imprisoned in solitary. Your soul is meant to live freely and freedom is what this book delivers! This modern day classic is about the empowerment of the spoken word and literary EXPRESSION!.
