Reviews

I just started reading this article pdf. it was actually writtern very properly and useful. You wont really feel monotony at whenever you want of your respective time (that's what catalogs are for relating to in the event you question me).

(Brandt Koss III)

HOMAGE TO CALEDONIA: SCOTLAND AND THE SPANISH CIVIL WAR

Luath Press Ltd. Paperback. Book Condition: new. BRAND NEW, Homage to Caledonia: Scotland and the Spanish Civil War, Daniel Gray, The Spanish civil war was a call to arms for 2,300 British volunteers, of which over 500 were from Scotland. The first book of its kind, 'Homage to Caledonia' examines Scotland's role in the conflict, detailing exactly why Scottish involvement was so profound. The book moves chronologically through events and places, firstly surveying the landscape in contemporary Scotland before describing volunteers' journeys to Spain, and then tracing their every involvement from arrival to homecoming (or not). There is also an account of the non-combative role, from fundraising for Spain and medical aid, to political manoeuvrings within the volatile Scottish left. Using a wealth of previously-unpublished letters sent back from the front as well as other archival items, Daniel Gray is able to tell little known stories of courage in conflict, and to call into question accepted versions of events such as the 'murder' of Bob Smillie, or the heroism of 'The Scots Scarlet Pimpernel'. Homage to Caledonia offers a very human take on events in Spain: for every tale of abject distress in a time of war, there is a tale of a Scottish volunteer urinating in his general's boots, knocking back a dram with Errol Flynn or appalling Spanish comrades with his pipe playing. For the first time, read the fascinating story of Caledonia's role in this seminal conflict.
