Brand New Book ***** Print on Demand *****.It s the beginning of summer, and Annie Chapman is excited at the prospect of getting to spend it with her boyfriend after months of separation while he s been away at school. Though both are very busy, Annie helping her mom at her boutique and Marcus reacquainting himself to the life of a rancher, they manage to make their busy schedules work. Then an old feud between Marcus family and another reaches an all new level, and the reason behind an old land dispute comes to light. When Annie and Charlotte, Marcus sister, come across some damaging evidence that might just prove their case, will they get the information to the right people in time, or will what appears to be a terrible accident prevent them? Things are heating up in the small town of Holden Point, but if there s one thing Annie has learned over the last few years, it s that there s strong, and then there s Holden strong, and with Marcus beside her, they can do anything.
