IMPLEMENTING A TIMETABLE

Book Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Calendar System into a Student Portal | Scheduling courses and distributing this information to the students is an important part of a school organisation. It used to be on paper, which was spread by teachers, but in the digital era of today, this can be done much more efficiently. Nowadays most of the students have their own personal computer, which makes it possible for distributing the timetable information digitally. Doing this...
