THE EIGHT HOUR QUESTION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE TO THE SECOND EDITION Since this essay was written, the course of affairs has on the whole seemed to justify its line of argument, to the extent even of an almost complete subsidence of the agitation for an Eight Hours Law. I am far, however, from taking satisfaction in that bare fact, which may stand as much for the general and regrettable subsidence of public interest in social problems, as for any intelligent recognition that an Eight Hours Law is a wrong industrial policy. That subsidence has gone on step for step with the rise of public interest in the pseudo-problems of so-called imperial politics, problems the very statement of which is often an expression of defect of economic science, and which are as often fitly solved by doctrines which are the negation of it. One holding the views set forth in the following pages can take satisfaction only in seeing some new and better approach towards the ideal for which, at its best, the Eight Hours movement stood; and such an approach can hardly be said to be taking place on any large scale, though there are signs of its being here and there found feasible even without any resort to new social machinery. In 1894 there was published a valuable and welcome research by Mr. John Rae, entitled Eight Hours for Work, wherein the history of the idea of a restrictive law, and of the practical attempts to realise it, is more fully set forth than in any previous book on the subject. Mr. Rae argued that previous writers had speculated with unverifiable materials, and therefore obtained only problematical results....
