Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.The Dominant of this study is: summaries of theories of the social, psychological, theological and quantum sciences, especially concentrating on archetypal field theory and Augustinian spirituality and their connection with Quantum thought, are presented, with a view toward articulating a holistic view of reality and the pressing need to move toward more collaborative ways of being. Our world, its cultures, people and institutions are finding the patriarchal paradigm no longer adequate for our time. In fact, this paradigm is doing great damage to the planet and its people and their creations due to its ethos of domination and control. Gradually a new paradigm is coming to the fore, one that can be called quantum because it tries to take all reality into account, and because fundamental to this paradigm are archetypes, which by analogy behave similarly to sub-atomic entities. The contrast between and implications of two different mindsets, Newtonian and Quantum, are also central concerns of this paper. The author has an interest throughout this study in investigating the unseen, the backstage aspects of the material and human drama, which can seem very chaotic. Community is seen as the strange attractor which we need to pay special attention to as we seek to do what we can to guide our world toward a more humane paradigm and in the hope that this new way of perceiving will nudge that of patriarchy out of the way. I put forward Augustinian spirituality as the soul of a new paradigm, wherein there is prayer together, a desire to grow together fully as persons, with a willingness to help each other mutually in this task, and with a commitment to the poor...
