Brand New Book ***** Print on Demand *****.Adelle Davis is an incredibly famous and popular author whose name and whose books have reached the household word status. Her recommendations are followed by millions today. She is the leading spokesperson for the organic foods movement. She is known for popularizing the phrase You Are What You Eat. During the 1960s and 1970s, her popularity continued to grow, as she was featured in multiple media report. Her celebrity was...
