After successfully destroying the Guild's Purification Center in Chicago, The Lost Seers, led by Joel Akida and Lilli Knight, embark upon a world-wide mission to save their kind from the tyranny of the Guild and unveil their greatest weapon - The Restoration Project. Developed in secret, The Restoration Project has the potential to awaken the supernatural ability within every man, woman, and child on earth and bring down the very foundation of the Guild's power and authority. But the Guild has other plans. Driven by the necessity for control, Crane Le Dieu creates The Red Order, a new league of clairvoyants whose sole purpose is to hunt down and annihilate the Lost Seers. Without the Guild's mind-controlling drugs, The Red Order is able to develop its gifts far beyond the capacity to see the future, honing their skills to become the ultimate threat against the Lost Seers. But the question remains - will the power of The Red Order be enough to defeat them? The Red Order continues the epic battle for freedom which began in Order of the Seers, revealing the secret motives behind an organization that exists to exploit and a renegade movement that seeks to usher in the next phase in human evolution. What are you capable of?.
