Del Rey. 1 Cloth(s), 2013. hard. Book Condition: New. (Hugo and Nebula Award Winners Included) Acclaimed for such novels as *The Doomsday Book* and *To Say Nothing of the Dog*, Connie Willis has likewise been recognized as one of science fiction's most innovative short story writers, placing believable characters in absurd and often humorous situations. Each of the ten tales in this anthology won the Hugo or Nebula Awards and in some cases, both and all feature afterwords by the author. In Willis's unpredictable universe, Emily Dickinson defeats an alien invasion ("The Soul Selects Her Own Society"), a photojournalist in near-future Arizona laments the extinction of all dogs ("The Last of the Winnebagos"), and in "Fire Watch," a contemporary historian travels back in time to London during the Blitz." Ranging from the hilarious to the profound, these stories show the full range of Willis's talent for taut, dazzling plots, real science, memorable characters, penetrating dialogue and blistering drama." *Kirkus Reviews* (UK) 473.
