Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about channeling the power and control you have over your life. This sounds easy but it is isn t. If it was, more people would do it. Those who realize they have this power and take full advantage of it are able to greatly influence the path of their lives. Others, who neglect this power, often feel stuck and unhappy as circumstances blow them around. The ability to channel our inner power, more than anything else, determines the quality and outcomes of our lives. If you are ready to learn how to better channel your inner power, Be the (Best) Boss of You provides invaluable insights that you need. The good news is that it is never too late. Praise for Be the (Best) Boss of You: In this compelling book, Dr. Patti Shank tells us how to be the boss of ourselves. In a truly atypical manner, she makes herself vulnerable to you, the reader, so that you might discover the inner peace that she has found. Everything about herself and the prose she pens is indeed atypical. Patti lays out a practical strategy for discovering happiness-for deciding to be happy. Jeffrey Strickland, PhD, Advanced Analytics Consultant, Author and Speaker Truly a unique work. A field guide for anyone coping with life instead of living their individual potential. The author shares her experience and offers helpful principles to break away many of life s daunting barriers. The conversational format makes the subject an easy read that will benefit anyone. Alexander Bolla, Professor Emeritus of Law, Samford University Wonderful insights. I think too many of us get stuck in our own narrative...
