

Maximize Your Investment Returns: 11 Questions for Your Advisors (Paperback)

By Ian Sender

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Very few advisors can beat the market returns over time In every period, low-cost funds beat high-cost funds Last year s genius is usually this year s idiot Advisors can t predict future returns over time Advisors want to attract short-term money for current profits I have been in the financial services business for over 20 years. Commoditization has come to the financial advice business. Unless you have millions of dollars to let an experienced Registered Investment Advisors (RIA) build on, you are going to overpay for advice that can t beat the markets over time. The key question is what is your timeline. Are you investing to get rich quickly or are you investing to retire with \$1 million in about 35 years? No legitimate RIA can promise the first goal yet many professional advisors imply that their work will make you wealthy. They don t mention a timeline. The fact is that over time, very few advisors can beat the stock market returns that average 10-12 a year. As you know, there is no way to...
