Thomas Nelson Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Anne Bradstreet, D B Kellogg, Christian Encounters, a series of biographies from Thomas Nelson Publishers, highlights important lives from all ages and areas of the Church. Some are familiar faces. Others are unexpected guests. But all, through their relationships, struggles, prayers, and desires, uniquely illuminate our shared experience Anne Bradstreet is recognized as one of the most important figures in the history of American literature, yet the majority of her poetry remained private until after her death. As a Puritan wife and mother, Anne knew that sharing her views and opinions with others was considered a sin, but she clearly valued knowledge and intellect, and was a free thinker. Bradstreet's work serves as a document of the struggles of the hardships of colonial life and in some ways is a testament to the plight of the women of the age. Anne's life was a constant struggle, from her difficult adaptation to the rigors of the new land, to her constant battle with illness. She turned inward and let her faith and imagination guide her through the most difficult moments. Her poetry, filled with the love she had for God, her husband, and her eight children, showcased her intense devotion to being a good wife, mother, and Christian.
