No serious student of the piano works of great masters can afford to be without a metronome. All these works in the better editions, as well as those of modern composers, are provided with metronome marks clearly indicating the correct tempo of each movement. For the student no certainty as to tempo is possible without the aid of a metronome; this applies also to studies and technical exercises. The use-of a metronome in practicing assists materially in the acquirement of a correct sense of time and rhythm.
