To ensure their safety, Joshua and his friends must enroll in Alabaster Academy, a school for Gyfted kids. Located on an isolated island where there are only two types of weather (rainy and very rainy), Alabaster is filled with every kind of superpowered student you can imagine not to mention a whole new species of bully. But when Alabaster comes under attack, Joshua and his friends are forced to escape once again. Their only hope for survival is to find a mysterious key that will enable complete world domination for whoever possesses it. But what if Phineas Vex finds the key first? A worthy addition to an original and creative series. -- School Library Journal From the Hardcover edition.
