THE MANIFESTATION WHEEL: A PRACTICAL PROCESS FOR CREATING MIRACLES

Red Wheel/Weiser. Paperback. Book Condition: new. BRAND NEW, The Manifestation Wheel: A Practical Process for Creating Miracles, Alan Seale, Learn to let your future show you the way! Drawing on his deep and profound knowledge of metaphysical laws - including the Law of Attraction and the Law of Gestation, quantum physics and our increasing understanding of energy fields, not to mention his work with thousands of people who want to bring change into their lives and the world, Alan Seale has written a book that can change the world.'Many years ago one of my teachers, Rick Jarow, introduced me to the Lakota Medicine Wheel, an ancient tool for manifestation. Over the years, as I used the Medicine Wheel for projects, I began to discover its many parallels to other ancient wisdom traditions and to quantum theory. I recognized this Wheel as a powerful technology - that could be a technology for shifting consciousness and facilitating transformation. The result was the Manifestation Wheel. It is a powerful system that can be used by individuals or organizations for turning ideas into results, dreams into reality' - from the book. There are 8 houses on the Manifestation Wheel: intention, peace, energy, guidance, empowerment, surrender, legacy. Seale teaches us a process that allows us to tap into our own intuition and the collective consciousness/good. For example, intention - where we start - takes us beyond "I want" to "what wants to happen." When those two are in alignment amazing things can happen. The more our thoughts beliefs, decisions and actions are in alignment the clearer our physical manifestation will be. As we move through the process, we may find ourselves going back to refine and align plan so that it is more "in tune" with our true heart's desire and the greater good.
