Brand New Book ***** Print on Demand *****.Credit Warfare is the only credit repair book of its kind providing all the knowledge, resources, sample letters and tools you need to resolve any credit or debt collection issue on your own legally. A superior court judge became a federal judge. A police lieutenant became a captain. Others got new jobs and started businesses. Once they resolved their credit and debt problems they were able to get the best rates on insurance, homes, cars, credit cards and so on because they were thoroughly trained to handle their credit repair / debt collection challenges themselves. Think about it; More than 61 million of your...
