Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NURSES IN TRAINING (MIXED MEDIA PRODUCT)

Createspace, United States, 2015. Mixed media product. Book Condition: New. 2nd edition. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It is the 1950s. Tina, Hine and Sally are three young women who meet for the first time at the Preliminary Training School of a large Midland Hospital Group. After a rocky start the girls with very different backgrounds, form a lasting friendship. Tina comes from a sheltered life in a middle-class family in Stratford-on-Avon: Hine is half Maori and had an illegitimate child in New Zealand, but this is not known to the others for some time. Sally was born with a silver spoon in her mouth but after a escapade in Switzerland, is packed off to train to be a nurse, much to her disgust. The story follows the nursing experiences of the young women as they pass their Preliminary Examinations and find themselves facing the real challenges of their training and the development of relationships with the opposite sex. ++++++ Tina is a born nurse and revels in the work in a male surgical. It is here that she meets Jerry, a man who will have an important part to play in her life. At first Hine is very homesick for the land of her birth, and for the South Island sheep station where she grew up. She was parted from her young son and longs to have news of him, but has lost touch with the cousins in New Zealand who were looking after him. She settles to study and also becomes a competent nurse. Sally is the lively, beautiful product of a wealthy family, whose mother has little time for her after her father dies. She is shunted off to an austere aunt living in a lovely old Manor...
