

The Smart Easy Guide to Single Parenting: How the Single Parent Can Successfully Fill the Family Roll of Mom or Dad, Mother or Father to Build Stronger Families Longterm (Paperback)

By Jasmine Williams

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Anyone who has a child knows that parenting is one of the hardest jobs there is. Today's parent faces more struggles and pressures than ever before and more and more households are single parent households, which make this already tough job even more of a challenge. The Smart Easy Guide to Single Parenting provides an honest assessment of the societal changes in family structure, the unique challenges that face single parents, as well as how to better manage those challenges and reduce the stresses of raising a child on one's own. At the outset, the guide discusses the changing definition that the term single parent has seen over time. What follows is the evolution of the increasing inclusiveness of the term. At one point in time, a single parent was one whose partner had left them or died, consequently leaving them to manage the child rearing and provision of financial security on their own. This definition has expanded and now includes the following populations: Divorced parents Widows or widowers Parents whose spouses are overseas...

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
