

Nitrogen Fixation

Filesize: 1.41 MB

Reviews

This written ebook is excellent. It is amongst the most awesome ebook i have study. You will not truly feel monotony at whenever you want of the time (that's what catalogs are for regarding if you ask me).

(Devante Langworth IV)

NITROGEN FIXATION

To read **Nitrogen Fixation** PDF, make sure you click the button below and download the document or have accessibility to other information which are in conjunction with NITROGEN FIXATION book.

Book Condition: New. Publisher/Verlag: Springer, Berlin | Achievements and Objectives | We are witnessing an increased awareness of the earth's environment. Examples are easily seen in the rise of 'Green Parties' across Europe, North America, Australasia, and lately Eastern Europe. The public outcry following industrial mishaps in Alaska, Chernobyl, Basel, and Bhopal, as well as the renewed legislative activity, such as the Clean Air Act in the USA and the European Community directive to member nation concerning the control of release of genetically engineered organisms are further examples of the general interest in the biosphere. The 'Ozone hole', 'Greenhouse gases', and 'Genetically engineered Microorganisms' have gained public profiles, and are discussed widely in newspapers, magazines and the electronic media. A recent educational survey of nations, belonging to the Organisation for Economic Cooperation and Development (OECD) showed that school children are more literate with ecological terms (as listed above) than with 'pure' scientific terms, like 'phloem', 'mitosis', 'proton', or 'Jurassic period'. Perhaps the increase in awareness is cyclical, being fed by non-scientific, sociological and economic advances. The late 1960s/early 1970s saw a major increase in environmental consciousness. Anti-pollution groups were founded, healthfood shops and naturopathy became acceptable as did recycling, the use of lead-free gasoline, and the reduced usage of environmental toxins, like DDT and PCB. For example, Monsanto Chemical Company instigated a self-imposed halt to the manufacture of PCB in the mid-seventies. Chemical companies started to look at biodegradable herbicides, slow release fertilizers, and specifically targeted pesticides. | Overview Section.- Recent studies on the biochemistry and chemistry of nitrogenases.- Nodulation genetics: the plant-bacterial interface.- Physiological, metabolic and developmental implications of O₂ regulation in legume nodules.- Regulation of nitrogen fixation and assimilation genes in the free-living versus symbiotic state.- Evolution, structure and function of nitrogen-fixing root nodules: confessions of ignorance.- Nitrogen...
