

Cypriot Crush A tribute to Cyprus

Filesize: 8.78 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. This is a tribute to Cyprus, a wonderful island with a turbulent history. Cyprus, officially the Republic of Cyprus is an island country in the Eastern Mediterranean Sea. Cyprus is the third largest and third most populous island in the Mediterranean, and a member state of the European Union. It is located east of Greece, south of Turkey, west of Syria and Lebanon, northwest of Israel and north of Egypt. The earliest known human activity on the island dates to around the 10th millennium BC. Archaeological remains from this period include the well-preserved Neolithic village of Khirokitia, and Cyprus is home to some of the oldest water wells in the world. Cyprus was settled by Mycenaean Greeks in two waves in the 2nd millennium BC. As a strategic location in the Middle East, it was subsequently occupied by several major powers, including the empires of the Assyrians, Egyptians, and Persians, from whom the island was seized in 333 BC by Alexander the Great. Subsequent rule by Ptolemaic Egypt, the Roman Empire, the Byzantines, Arab caliphates for a short period, the French Lusignan dynasty, and the Venetians, was followed by over three centuries of Ottoman control. Cyprus was placed under British administration in 1878 until it was granted independence in 1960, becoming a member of the Commonwealth the following year. In 1974, seven years after the intercommunal violence between Greek Cypriots and Turkish Cypriots, an attempted coup d'état by Greek Cypriot nationalists and elements of the Greek military junta with the aim of achieving enosis (union of the island with Greece) took place. Turkey used this as a pretext to invade the northern portion of the island. Turkish forces...
